### *Spread the Word, Reap the Rewards.*

At Qvinci, we believe that collaboration matters. That's why we've put together a referral program that rewards those who help businesses unlock their potential with Qvinci.

### *Big Rewards in a Few Simple Steps.*

- **Refer a Business:** Do you know a business that could benefit from Qvinci's patented financial performance management solution? Send them our way!
- **Earn a Reward:** If the referred business signs with us, we'll send you a gift card worth up to \$500.
- **Get Your Reward:** How high can your reward go? It depends on how many reporting entities your referral purchases. Each reporting entity purchased earns you \$20, up to a maximum of \$500. Your referral must purchase a minimum of 5 reporting entities for you to receive a gift card. Specific guidelines are available [here](#).

### *Make Sure Your Referral Qualifies.*

- **New Customers Only:** The business you send our way cannot be a current Qvinci customer.
- **No Active Leads or Opportunities:** Active leads or business opportunities already in our CRM do not qualify.
- **Customer Retention:** The referred business must remain a Qvinci customer for at least 3 months.
